Who is Covered

All players, coaches, and managers will be covered for accidental injury or death resulting directly and independently of all other causes sustained while they are: 1. participating in scheduled games or practice sessions; 2. traveling under adult supervision to or from scheduled games or practice sessions.

What is Covered

1. Accidental Medical Expense

When injury to an Insured requires treatment by a legally qualified physician; care given by a graduate nurse; confinement in a hospital; ambulance service to and from the hospital; and services and supplies ordered by a physician; the Company will pay the usual and reasonable expenses incurred on a Full Excess basis (see below) up to the policy maximum. The first expense must be incurred within 30 days of a covered accident. To be covered, any further expense must be incurred within 365 days.

Dental Benefit is included in the Medical Maximum Benefit.

Full Excess: The Company will pay the covered expenses incurred which are in excess of those benefits paid or payable by another Plan Providing Medical Expense Benefits, to the maximum for the plan selected (\$25,000, \$50,000, or \$100,000). Deductibles must be satisfied before benefits are paid.

Plan Providing Medical Expense Benefits means any group type policy, contract, or other arrangement for benefits or services for medical or dental care or treatment.

2. Accidental Dismemberment

If a covered injury results in loss of limb(s) or sight, the Company will pay the benefits shown below.

For loss of:

Two hands, two feet, or the sight of both eyes

(or any combination of these losses).....\$10,000

One hand, one foot, or sight of one eye.....\$5,000

Loss of hand or foot means complete severance through or above the wrist or ankle joint. (In SC, "loss of four fingers entire" is "loss of hand".) With regards to sight, the entire and irrecoverable loss of sight.

Only one benefit, the largest applicable, will be paid for all losses that result from any one accident. Injury must result in loss within 180 days of the accident.

3. Accidental Death - \$10,000 Benefit

The Company will pay the Accidental Death Benefit when a covered injury results in the Insured's death. Death must occur within 180 days after the accident occurs. If dismemberment benefits have been paid for a loss resulting from the same accident, the Accidental Death Benefit will not be payable.

Benefits will not be paid for a loss due to:

Intentionally self-inflicted Injury, suicide while sane or insane or any attempt thereat (in Missouri this applies only while sane). Any loss to which a contributing cause was the Covered Person's commission of or attempt to commit a felony or to which a contributing cause was the Covered Person's being engaged in an illegal occupation; Participation in a riot or insurrection; An act of declared or undeclared war (not including terrorism); active duty service in any Armed Forces of any country and, in such event, the pro-rata unearned premium will be returned upon proof of service. This limitation shall not apply to emergency treatment required within 24 hours after an accident when the accident occurs outside the geographic area served by the HMO, PPO, or similar arrangement for provision of benefits or services.

Claim Procedure

Frazier Insurance Agency has a copy of the Medical Claim form for injuries to any of your players. When you first find out about an injury to a player please email our office and we will forward a copy of this form. The policy holder and the player or parent/guardian of the injured player will BOTH have to complete the form. Once the form is completed, please mail this and a copy of any medical bills available at time of completion, directly to the insurance carrier. Sending the form to our office will only slow down the process. There are instructions located on the form itself on how to correctly fill in information, but if you have any questions about the process or application please contact Frazier Insurance Agency. Finally, please note that there is a 90 day reporting period
